Please note that insurance products (i.e., annuities) may be discussed at this meeting/event, and your Representative may contact you following the meeting/event.

Before investing, investors should carefully consider the investment objectives, risks, charges, and expenses of the variable annuity and its underlying investment options. The current contract prospectus and underlying fund prospectuses, which are contained in the same document, provide this and other important information. Please contact your representative or the Company to obtain the prospectuses. Please read the prospectuses carefully before investing or sending money.
